tenants.

This image illustrates Ito-Yokado's basic approach to business.
We started as a small sapling and grew into a large tree over 100
years. The doves on the tree's branches represent all the
stakeholders of our company—customers, business partners,
and employees—who are gathered peacefully and keep our
business going.

When you travel, you must visit Ito-Yokado!

Here are 7 major reasons why!

The time-honored superstore Ito-Yokado is loved by many Japanese people. Founded in 1920, it is the king of all Japanese superstores. With branch locations all over the country, it has everything you need from food and fresh fruit to popular name-brand cosmetics. No matter where you travel in Japan, Ito-Yokado lets you shop with the same comfort as a local shopper.

Reason 1

It's a one-stop shop that accommodates your every need

Food, clothing, cosmetics, medicine, daily necessities, stationery, even pet supplies—you can satisfy all your shopping needs in this one-stop shop. There are also traditional and seasonal Japanese products such as Hina dolls, yukata, and so on. Once you step foot into Ito-Yokado, you're destined to become a repeat customer.

Reason 2

It's beloved and supported by Japanese people

Ito-Yokado is a long-established superstore that offers high-quality products at reasonable prices. Japan's people are deeply enamored with this superstore and keep returning to shop here. The shop has adopted the most rigorous standards to manage its fresh produce, such as introducing a fruit sweetness system that tests sugar content and publishes the values daily. It also has connections with farms and wholesalers all over the country and can provide seasonal products at the earliest opportunity.

Reason 3

Dozens of limited-edition products are only available here

Only Japan experts know this little secret. Seven & i group including Ito-Yokado often collaborates with KOSE, FANCL, Glico, and other quality big-name brands from all over Japan to create new and limited-edition offers. It has launched some amazing exclusive products that are only available for purchase at Ito-Yokado.

Reason

4

It has the most comprehensive selection of hand-picked souvenirs in the country

Ito-Yokado offers a wide range of regional gifts from every part of Japan. No matter where you go, you'll have the pleasure of buying ramen, biscuits, and other super popular national products.

Reason

6

You can satisfy your shopping and dining needs at the same time

This superstore is not only for shopping. The food court at Ito-Yokado is also full of carefully-selected culinary items. After shopping, you can enjoy the convenience and delicious flavors of the in-store restaurants.

Reason

5

Its spacious shopping area is suitable for the whole family

The ultra-spacious shopping space is a guaranteed design of Ito-Yokado. To give every member of the family a chance to enjoy their shopping experience, the superstore has designed wheelchair and stroller rental facilities that serve the comfort of each customer.

Reason

Ito-Yokado is a tax-free shop

For overseas customers, the shop provides tax-free services. You can receive a tax refund directly in-store.
